BIOGRAPHY

Shari Wilson is a Loss Adjuster with over 11 years' experience in the insurance industry, specialising in the assessment and management of domestic and commercial property claims. She has developed strong technical capability across a broad range of losses, with particular expertise in causation analysis and claim investigation.

Shari works closely with insurers, insureds, and external experts to determine the cause and extent of loss, ensuring accurate assessment and efficient progression of claims. She is recognised for her thorough investigative approach and ability to clearly articulate findings, supporting well-reasoned and timely claim outcomes.

With a strong focus on stakeholder engagement and communication, Shari is committed to delivering a streamlined and transparent claims experience. Her attention to detail, organisational capability, and practical approach enable her to effectively manage claims in both routine and complex environments.
