BIOGRAPHY

Jared has work within the insurance industry for most of the last 15 years, with significant experience in catastrophe response. Jared has traveled to over 40 states in order to assist people in getting back on their feet after a major natural disasters.

When Jared wasn't in the insurance industry, he was a Project Manager at a startup handyman company in Nashville, TN specializing in short-term rental property maintenance.

Jared continued his career with McLarens starting in March 2020. Jared brought with him significant experience in residential property, commercial property, and proficiency in Xactimate. Jared is also a licensed FAA drone pilot.
