### BIOGRAPHY

Joseph Roskop joined McLarens in 2011 after having previously worked with Crawford and Company as a Property Adjuster, and for Allied World Assurance as a Property Claims Analyst. Joseph's extensive insurance expertise is evident with the past work that he has done with claims related to hurricanes, fires, and winter storm freezes. Based out of Charlotte, Joseph is licensed in over 20 states, along with Puerto Rico, and is earthquake certified. Joseph is a member of the Loss Executive Association and the Young Loss Executives Association.
