*I have no hesitation in recommending the McLarens Forensic Accountancy team to clients. Without fail, the team always take the time to understand an individual business which in turn leads to positive customer outcomes.*

*– Group Claims Director,  
Insurance Broker*

# Our Services

## Full Service

A traditional 'cradle-to-grave' appointment. Review of proposal/application form representations and identification of relevant policy terms and conditions. Updates every 30 days and full format reporting.

*Fee Basis: Time & Expense*

## Factual Investigation

A thorough investigation of the notified incident, transcribed into a circumstances only report for clients to examine pursuant to policy terms and conditions.

*Fee Basis: Time & Expense*

## Proof of Loss Guidance

Provide guidance, and ongoing assistance, in order for the Insured to prepare a sworn proof of loss (or similar) with supporting documentation.

*Fee Basis: Scale Fee*

## Ad-Hoc Services

Services to supplement a client's day-to-day case work (e.g. translations, quantum assessments, litigation support or expert witness testimony).

*Fee Basis: Hourly Rate, Capped*

# Why Choose Us

## Global Reach

McLarens offers a collaborative, team-based approach drawing upon a global network of 230 service locations in 39 countries. Our strategic locations enable our team to provide response around the globe with local knowledge.
