BIOGRAPHY

Scott began his adjusting career in 1990 with Grocers Insurance Group as a Senior Multi-line Claims Adjuster. In 1998, he joined Chubb as an Executive General Property Adjuster and Assistant Vice President, where he developed extensive expertise in managing high-value property losses. During his nearly two decade tenure at Chubb, Scott became a trusted resource for handling complex claims with precision and professionalism. In 2017, Scott joined McLarens as an Executive General Adjuster, bringing his deep industry knowledge and technical proficiency to a global team. Recognized for his leadership and ability to navigate intricate claims, he was promoted to Senior Executive General Adjuster in 2019.

With over three decades of experience, Scott is a go-to expert for complex property and construction claims, including specialized expertise in the aerospace and aerospace manufacturing sectors. His work in these highly technical and regulated industries reflects a deep understanding of complex supply chains, advanced manufacturing processes, and mission critical operations. His ability to assess and resolve complex losses efficiently has earned him a reputation for excellence among insurers, brokers, and clients.

Scott's meticulous attention to service ensures that each claim is handled with professionalism, responsiveness, and strategic insight, making him an invaluable asset in the claims management process.
