BIOGRAPHY

Abhijeet Bhawik is a highly organized, creative, and motivated professional with over 12 years of extensive experience in the Surveyor field. He holds a licensed surveyor certification from the Insurance Regulatory and Development Authority of India (IRDAI) in the categories of FIRE, MARINE CARGO, and ENGINEERING.

Currently, Abhijeet is deeply involved in managing high-value property and marine cargo claims, ensuring timely, accurate, and high-quality loss assessments. His expertise lies in maintaining strong client relationships, optimizing turnaround time (TAT), and leading teams to ensure precision and collaboration in loss evaluation. Abhijeet's ability to stay ahead of market trends allows him to identify opportunities and niche markets that can drive business growth. His proficiency in pipeline management and prospecting new business avenues showcases his forward-thinking approach, paired with his analytical mindset.

A graduate with a Bachelor's degree in Engineering, Abhijeet's technical knowledge in manufacturing, production, and quality control enables him to evaluate and handle property claims with a deep understanding of the commodities involved.
