SPECIALTIES

Forensic Accounting
Business Interruption

BIOGRAPHY

Yun Lim joined the forensic accounting practice in 2026 after graduating from Nanyang Technological University, Singapore with a Bachelor of Accountancy (Honours).

Yun Lim is currently involved in supporting forensic accounting and commercial dispute engagements, including financial analysis, review of accounting records, and economic loss assessments. Through these engagements, Yun Lim is developing experience in forensic investigations, and business interruption matters.

Committed to professional excellence and continuous learning, Yun Lim is currently pursuing the Singapore Chartered Accountant Qualification (SCAQ) and is one examination away from qualifying as a Chartered Accountant of Singapore.
