BIOGRAPHY

Allison Liuzzi joins McLarens as an Executive General Adjuster on the US Product Recall Team, bringing more than 17 years insurance industry experience, with a strong foundation in surplus lines commercial underwriting and specialty risk management. Throughout her career, she has developed expertise in evaluating complex risks, established long standing market relationships and brought innovative insurance solutions to the industry. Her experience includes Latent Claims and underwriting Kidnap & Ransom and Product Recall/Product Contamination for both large carriers and global MGA's. Most recently acting as a claims liaison and underwriting middle market and large complex exposures supporting manufacturers in industries like consumer goods, food/beverage, nutraceuticals, automotive component parts, hemp and cannabis. Her underwriting background provides a valuable perspective in claims, combining an understanding of policy language, coverage considerations, risk assessment and commercial exposures with a practical, solutions-oriented approach to loss evaluation.
