BIOGRAPHY

Lizbeth Savage is Vice President of Casualty Services at McLarens. She leads multi-state casualty programs spanning general liability, automobile bodily injury, UM/UIM and third party administration. Her experience includes building teams and claims operations for growing programs. overseeing complex liability investigations and litigation, and working with carriers, brokers, and insureds on claims strategy and service. She brings a strong focus on timely reporting, reserve discipline, quality controls, and practical solutions on high exposure claims.

NOTABLE ASSIGNMENTS

- Renewable Energy / Wind Farm: Catastrophic job-site involving amputation and subsequent liability litigation (USD 2.5 million).
- Marina Operator: Florida premises liability claim involving an alleged dock injury (USD 2 million). Directed liability review and defense counsel strategy. The plaintiff ultimately withdrew the suit.
- Fine Arts Shipment: Alleged mold damage to 11 paintings shipped from Hong Kong to Los Angeles. Coordinated condition documentation, an on site inspection, and conservation review, liability and extend of damage.
- Rail Transportation: Train derailment involving fatality. Managed a complex casualty investigation involving multiple potential exposures.
- Fire from Wind Turbine: Multi-million dollar loss with multiple claimants.
- High-end Retail slip and falls.
- Sexual Assault of a minor at a construction site.
- Multiple Auto Theft at a Car Dealership in Texas.

INDUSTRY CERTIFICATION

- Senior Claim Law Associate (SCLA)
- National Insurance Crime Training Academy Certification (NICB)
- Prosci Certified Change Practitioner
- CLM Claims College of Leadership.
