BIOGRAPHY

Rebecca Gavin is a Business Interruption Accountant with over 10 years of experience advising on complex insurance claims with significant financial and accounting components. FCCA and CILA qualified, she specialises in the financial analysis, quantification and resolution of a wide range of losses across diverse industries.

Rebecca has worked on claims spanning renewable energy, quarrying and aggregates, global distribution, and aviation, providing expertise in business interruption, complex stock losses, and fidelity guarantee claims. Her combination of accounting expertise and insurance knowledge enables her to deliver clear, robust financial assessments that support clients through some of their most challenging claims scenarios. Known for her analytical approach and attention to detail, Rebecca works closely with insurers, brokers and policyholders to ensure claims are evaluated accurately and resolved efficiently.
